

TIMEWARE *for Windows*

TIMEWARE Software turns your IBM-compatible computer into a timing console. Create your own event lists; set up a meet by name and date; time and place events with one or more heats; score and place diving; print out event results, meet results and team splits; and store all the data in a virtually unlimited memory. Demo mode makes training simple.

Add IST's SWIMSTART, a deck cable and backup buttons and get a "semiautomatic" timing system for a affordable price. It's perfect for summer leagues and small teams. Expand your system with touchpads and scoreboard as more funds become available.

TIMEWARE is compatible with existing starts, touchpads, and many numeric scoreboards.

Timing screen showing a partially completed event with Demo Mode Touchpad Simulator for training.

TIMEWARE is an affordable, expandable timing system you can buy today and build on tomorrow. Designed with the budget conscious team in mind, **TIMEWARE** provides loads of capability for a very economical price. See our web site at www.istime.com for a software demo, or call 800/835-2611 for a detailed quotation to suit your team's needs.

Use **TIMEWARE** with **HY-TEK LTD**

MEET MANAGER for Windows

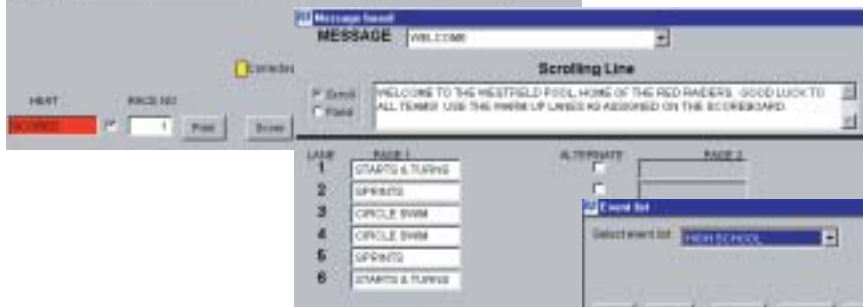

With Hy-Tek's Timing Console Interface, you can download results directly to Meet Manager. Add the Scoreboard Interface to upload start lists and display names and teams on **TIMEWARE's** screen and on IST's scoreboards. Network the **TIMEWARE** and Hy-Tek

computers for effortless data exchange, or use "sneaker net" and transfer data on disk from one computer to the other. Additional Hy-Tek and IST software required.

Here are a few of the other functions available in **TIMEWARE**.

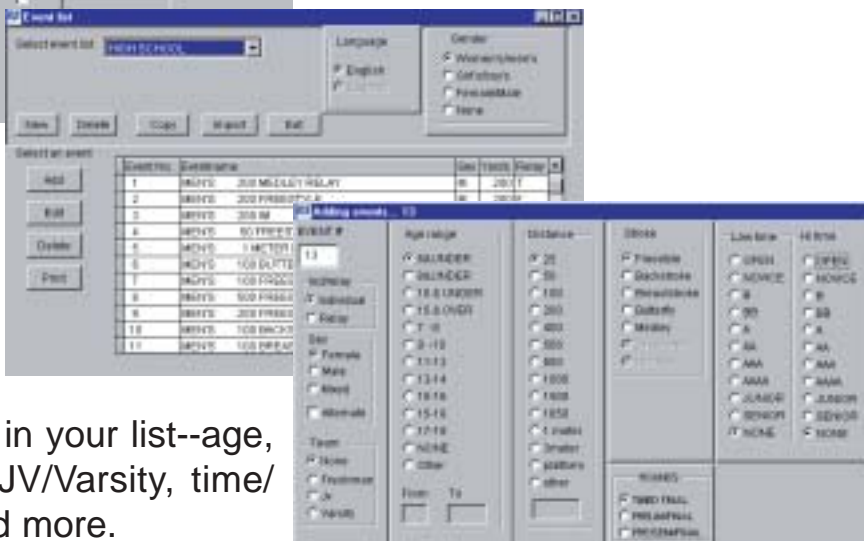

Off-Line Scoring for editing results before printing final reports. Summarizes results of all heats for easy hand scoring or transfer to Hy-Tek MEET MANAGER.

Message Board for sending messages to IST Scoreboards. Sell ads so the board can pay for itself.

Event List for creating and saving the exact event lists you need. Lists can be imported from Hy-Tek or copied and changed as needed.

Set the parameters for the events in your list--age, sex, distance, stroke, Freshman/JV/Varsity, time/class codes, Prelim/Semi/Final and more.

Call **IST** at **800/835-2611** or email **info@istime.com** for a quote to fit your team's requirements, and **start timing!**
