

WORKWARE 2 Update Procedure

To install the update, follow these instructions:

1. If you are on the web with your WORKWARE 2 computer, double-click on the **2.0** Version number and **SAVE** the file to your Desktop.
2. If your WORKWARE 2 computer does not have access to the internet, double-click on the **2.0** Version number and **SAVE** the file to flash drive. Then copy the file (ww2update.zip) to the desktop of the WORKWARE 2 Computer.
3. Do **not** open WORKWARE 2. From the Desktop of the WORKWARE 2 Computer, double-click on the icon labeled **ww2update.zip**:
 1. Click **Extract all files**.
 2. Click **Next**
 3. On the next screen (Select a Destination), Browse to C:\ (the field labeled “Files will be extracted to this directory” should only display **C:**) and click **Next**
 4. In the next window (Confirm File Replace) click **Yes To All**
 5. On the next screen, click **Finish**
4. Open WORKWARE 2 and confirm that the Version is now 2.0 and the date is 10/20/09.

This update allows you to run WORKWARE 2 on Colorado numeric scoreboards.
