Cord Length	68" / 1727 mm	68" / 1727 mm
Weight	26 lbs / 11.8 kg	26 lbs / 11.8 kg

B. Environmental

1. The operating temperature range is 0 to +55 degrees Celsius.
2. The storage temperature range is -55 to +85 degrees Celsius.
3. The operating humidity is <= 90% non-condensing.

D. Operating Features

1. Scratch resistant textured vinyl provides swimmers a slip free, comfortable surface
2. Touchpad edge is sealed with 1" molded polyurethane boarder that forms a bumper to protect the pads, your pool and the people who handle them.
3. The IST Touchpad does not require adjustments in air pressure. Since water cannot enter the pad, there is no build up of salts or other chemicals to shorten the life of the pad.
3. A cord restraint supports the cord where it attaches to the pad.
4. Touchpads brackets are custom designed for each pool. Brackets are held in place with ergonomic knobs that adjust easily and protect swimmers' feet.

E. Warranty

1. IST Touchpads are covered by a 2 year limited warranty.
