

International Sports Timing Package Pricing for Six Lane Pools

2/2/2017

MEETWARE3 Introductory System: \$ 4,473.00

"Semi-automatic" timing with backup buttons, a virtually unlimited meet memory. Exchange entries & results with Hy-Tek's TEAM MANAGER. Includes MEETWARE3 with Computer Timing Interface, SWIMSTART Electronic Start, 13 backup buttons, 6-lane deck cable, five year limited warranty. User installable. Delivery not included.

MEETWARE3 with One Line Numeric-only Display: \$ 5,985.00

MEETWARE3 with One Line Alphanumeric Display: \$ 7,551.00

"Semi-automatic" timing with backup buttons, a virtually unlimited meet memory. Exchange entries & results with Hy-Tek's TEAM MANAGER. Includes MEETWARE3 with Computer Timing Interface, SWIMSTART Electronic Start, 13 backup buttons, 6-lane deck cable, five year limited warranty. Both Scoreboards are upgradable to 6-lane display. User installable. Delivery not included.

12-digit Numeric-only scoreboard displays running clock and lane, place, finish time for each lane. **For outdoor, add \$396.00.**

16-character Alphanumeric scoreboard scrolls event and heat. Scrolls event entry names and team codes. During an event, it displays running clock, leader's split then lane, place, finish time for each lane. Shows team scores at end of event. Use the board as a message center. **For outdoor, add \$792.00.**

MEETWARE3 with Six Line Numeric-only Display: \$12,681.00

MEETWARE3 with Six Lane Alphanumeric Display: \$22,167.00

MEETWARE3 with BOARDWARE3 Projected Scoreboard: \$ 5,346.00

"Semi-automatic" timing with backup buttons, a virtually unlimited meet memory. Exchange entries & results with Hy-Tek's TEAM MANAGER. Package includes MEETWARE3 with Computer Timing Interface, SWIMSTART Electronic Start, 13 backup buttons, 6-lane deck cable, five year limited warranty. User installable. Delivery not included.

Six Lane, 12-digit Numeric-only scoreboard displays running clock on Lane 1; cumulative time in each lane; and lane, place, finish time in each lane. **For outdoor, add \$2,475.00.**

Seven line, 16-character Alphanumeric scoreboard includes scrolling message line which scrolls event and heat. Displays event entry names and team codes on each lane line. During an event, the scrolling line becomes a header and displays running clock. Each lane line shows last 50 split, and cumulative time. Finish display shows place, last 50 split and finish time. Shows team scores at end of event. Use the board as a message center. Team logo included. **For outdoor, add \$4,347.00.**

BOARDWARE3 Projected scoreboard runs on the same computer as MEETWARE3. Add your projector and screen surface for a 32 character display with scrolling header line. BOARDWARE3 works best for indoor pools with minimum natural light.

MEETWARE includes diving. For enhanced diving with 3 consoles, add \$1,098.00. To time with 3 backup buttons and 1 touchpad per lane, add \$1,620.00 for additional 6 lane deck cable, 12 more backup buttons and Computer Timing Interface upgrade.

TOUCHPADS are now available from IST! For budget purposes, add \$5,076 for 6 60" touchpads.

MEETWARE is compatible with your existing touchpads and start, so you may not need to purchase a complete system. Also compatible with most deck cables and numeric scoreboards. Installation and training available. Call 800/835-2611 for a quotation to meet your requirements.
